should be sent to the Parish Clerk before

**12th May 2019**
Another year is nearly over for the Parish Council, we sit from the beginning of May, until the end of April, with committee and full council meetings every month except August, at present. Parish residents elect Parish Councillors every 4 years, with officers and committees chosen each year by the Council following the open Village AGM in May.

On the 2nd of May this year sees the Local elections for Borough and Parish Councillors, notices have gone up on village notice boards with further information.

Meanwhile, there are projects and issues to be dealt with currently by the PC, we are STILL in talks with Highways over ongoing issues with traffic calming, and will be reviewing costs soon to see what residents precept monies can be made available if need be to help and undertake projects.

Likewise further youngsters play equipment for the Jubilee play area is being sought, as this also has been a long-term project.

Grass cutting contracts have been finalized, as whatever the elections hold for us, the village should continue to look nice. In fact the results of last years Britain in Bloom bulb planting project, added to previous years, are now to be seen and are looking very good. Already we are thinking ahead to this year’s similar planting day.

The PC Website is up on the Internet, but still needing final construction and tweaking. We will be going out to the Village for Groups and Associations to provide their information so that in due course it can be added to the website.

Looking forward to seeing you at the Village AGM in May,

James Rudgley
Black Cat Upgrade
Following a public consultation which received over 4000 responses, Highways England has announced the preferred option to upgrade the Black Cat roundabout and the selected route for the A421 onwards to Caxton Gibbet.

The roundabout is to be reconfigured as per the below diagram taken from the Highways England website. The junction will become three-tier, with the A1 passing beneath the junction and the A421 over it.

The preferred route for the bypass is provided below. The estimated cost of the project is £810m - £1.4bn. For more information see https://highwaysengland.co.uk/projects/a428-black-cat-to-caxton-gibbet/

The works should begin within the next 2 years. It is highly likely that Great Barford will see a repeat of the disruptions caused by the last round of works at the Black Cat roundabout. We are attempting to get better traffic control orders to avoid such disruption and will report back on progress in due course.

Council Budget
The Borough Council’s budget was agreed at a meeting of councillors on the 6th February. It includes plans to increase Council Tax by 1.49%, with an additional 1% for the Adult Social Care precept; a £36.63 per year rise for the average Band D property.

Demand for adult social care continues to be one of the main pressures on the Council’s revenue budget, with spending rising in this service area to just under £52m in 2019/20. There is, therefore, a need for the Council to continue its savings programme, with £5.3m of efficiencies to be delivered next year. The total net revenue budget is £128.6m.

The Council also has a Capital Programme for 2018/19 – 2021/22 which covers spending
on ‘one-off’ schemes. The total value across the 4 year period is £213.2m and includes projects such as the ‘Transporting Bedford 2020’ road decongestion scheme (£18.4m, with £15.5m being provided by the Government) and Wixams Railway (£27.4m, although this may be superseded by the East West Rail project).

**East West Rail**
A consultation has been launched on proposed routes for the central section of the East West Rail (EWR) scheme from Bedford to Cambridge.

EWR will enable a new train line between Oxford, Milton Keynes, Bedford and Cambridge, with the potential in the future to extend further to Norwich. It has been unclear for a number of years as to where the line will link with Bedford but the consultation has now provided some detail.

There are 5 options, 3 of which mention the use of an unspecified ‘Bedford South’ station, which could be the long-awaited Wixams station or an alternative site. Conversely, 2 of the options see the line going through the town centre and linking with the existing Bedford Midland station. For more details on the route options and how to respond to the consultation see [https://eastwestrail.co.uk/haveyoursay](https://eastwestrail.co.uk/haveyoursay) The first round of Option Consultation has now closed.

**Rough Sleeping**
There has been a 33% reduction in the number of rough sleepers in the Borough in the past year following the provision of new services. The annual rough sleeper count which took place in November showed that there were 51 rough sleepers, compared with 76 in 2017.

Following the receipt of a £307k Government grant, support has been put in place through the recruitment of extra support staff and units of temporary and emergency accommodation. Support is also provided by a range of local organisations, with co-ordination through the Bedford Homeless Partnership. While the news of progress is welcome, clearly there is still a lot more to do. For more information see [https://bedfordhomeless.org.uk/](https://bedfordhomeless.org.uk/)

Problems caused by inconsiderate and/or illegal parking in the vicinity of schools, during morning drop-off and afternoon pick-up, are a constant cause of complaints to the majority of schools in Bedford Borough.

Parking illegally or inconsiderately not only causes inconvenience to local residents and undermines the school’s efforts to be a good neighbour, but creates road safety issues, including danger to pedestrians crossing roads. To date it is extremely fortunate that no-one has been seriously injured (or worse) as a direct result of such bad parking, but the potential for such an occurrence is ever present.

Regular visits by the Borough Council’s ANPR (Automatic Number Plate Recognition) equipped vehicles have now ceased and are being replaced by Fixed Enforcement Cameras. These are now enforcing parking offences outside schools, and penalty charge notices will be issued.

Great Barford has a Fixed Enforcement Camera mounted on a street lamp column at the corner of Silver Street and Goodwins Yard. At the time of writing, there have been 14 Penalty Notices issued on evidence from this camera.

By parking in a legal and considerate manner, congestion will be reduced and safety increased, along with enjoying the benefits of easy access to the school and enhancing the relationship of the school with its neighbours.

Please park considerately and avoid receiving a Penalty Charge Notice.
You arrive on the eve of the opening of The Waitling Players latest production “Steel Magnolias”. Fraught with tension, it is your job, with the help of Inspector Meltoya to determine who the murderer is. Is it the eccentric director? The bitter actress at the end of her career? The demanding theatre critic? The fledgling newcomer? The attention-seeking celebrity? The trusted stage manager? Or the hippie, who just loves everyone?

DATE: Saturday 30th March 2019,
TIME: 18:00 – 23:00
COST: Tickets £20 (includes 3 Course Meal and Theatrical Entertainment)
LOCATION: Village Hall, Great Barford.

The next elections for Parish and Town councils are on 2nd MAY 2019

Become a Parish or Town Councillor
The best way to find out what it’s like to be a Parish or Town councillor is to talk to someone who’s doing it now. Your Parish or Town council will have a website where you will be able to get the names and contact details of the current clerk and councillors, and the dates of their meetings. Council meetings are open to the public and you can go along to a Parish or Town council meeting, speak to one of the councillors and find out what they think of the job they do.
By becoming a Parish or Town councillor you become someone your community will look to for help, guidance and support as a community leader with the power to influence decisions for the benefit of the people you serve.

Getting Elected
To stand for election to a Parish or Town council, you must:
• be a UK or Commonwealth citizen; or be a citizen of the Republic of Ireland; or be a citizen of another Member state of the European Union
• be at least 18 years old
To be eligible to stand for election for a particular Parish or Town you don’t have to be connected to a political party but you must:
• be an elector of the Parish or Town or in the past 12 months have occupied land or other premises in the Parish or Town (as owner or tenant) or work in the Parish or Town (as your principal or only place of work) or live within three miles of the Parish or Town boundary

What do Parish or Town councils do?
A Parish or Town or Town council is a local authority that makes decisions on behalf of the people in the Parish or Town. It is the level of local government closest to the community, with the district authority and the county authority or a principal authority further up the hierarchy.
Parish or Town councils make all kinds of decisions on issues that affect the local community. Probably the most common topics that Parish or Town councils get involved with are planning matters (they are statutory consultees), crime prevention and roads & highways.
Parish or Town councils have a number of powers they can use and have the ability to negotiate with other decision making organisations such as the district, county or unitary councils, health authorities, police etc. In this respect Parish or Town councils are extremely powerful. These organisations know that a Parish or Town council gives the best reflection of how a community feels about something and its views should be taken seriously.

How much time does it take up?
Councils usually meet once a month for the council meeting to which members of the public are also invited. Meetings may last two or three hours, depending on what’s on the list of items to discuss. Some councils may also have committees to deal with specific subjects, such as planning matters.

How long do I serve for as a Parish or Town Councillor?
Once elected, Parish or Town councillors sit on the council for four years. If they then want to stay in the post they can stand for re-election. This does not mean that you have to stay for four years. If you find it’s not for you, or you can no longer meet the commitment, you can stand down.

As the cold snap gives over to warmer, lighter but wetter evenings, what better than socialising in comfort at the Bowls and Petanque club in Great Barford. And what have we got for you? Some regular items and exciting one-off activities:

For those who would enjoy social card games there is Whist every Wednesday evening from 7:30 pm to 10 pm. Whist is £2.00 which includes a tea/coffee and biscuits break and there is an optional raffle. It’s not that we have had enough of our friends – we really want some newcomers to join with us so why not try us out.

Every Thursday evening, we have Carpet Bowls from 7:30 pm to 10 pm. Carpet Bowls was devised as a fun version of indoor bowls suitable for playing in small halls. We try to be a little competitive but most of us are relatively new to the game. Mostly it is a good laugh and a chance to ‘unwind’ and have fun. Come to play or just to watch. Cost £2.00 to include tea or coffee. The club bar is also open. We have a small following of regulars so we would really like some new people to come and join in.

On Friday 01 March 2019 we have a Quiz Night starting at 7.30pm. Teams are usually 4-6 people. Don’t worry if you haven’t got a team, we can always find one who need another person so just turn up.

On Friday 05 April 2019 there will be a Horse Race Night. Entry is £5 per person which includes hot food in the interval and again the club bar is open. Each race will have a sponsor (£5) and each horse can be owned for £2. Then there is a tote for your bets.

Saturday 27 April 2019 sees the next of our Coffee Mornings from 10.00 to 12.00. There will be a variety of stalls including those selling homemade cakes and preserves. We are always looking for more stall holders so please contact Anne Lovesey on 01234 870693.

We hope that you will find something to interest you all. For more information see our website at www.greatbarfordbowlsclub.org.uk and Facebook page www.facebook.com/Great-Barford-Bowls-Club-927365523974564 or call Beryl on 01767 449116.

The car park address is in Woodpecker Close, MK44 3BG or there is pedestrian access through School Lane.

Well 2019 has come with a strange collection of weather. It was frosty and now wet and windy. It’s a good thing we don’t try to play bowls outdoors till the end of April. But this means is that our bowling season is fast approaching. The bowls season begins with a Spoon Drive on Friday 26 April at 6 pm. Once the season starts, we hold Friday evening roll-ups from 6 pm. It’s a chance for some practice, coaching, a bit of relaxation after a long week and time for
some convivial socializing. I must say this every year, *Have you thought of coming along to enjoy a roll-up to find out if bowls is a sport you would like to take part in? –*

**If not why not?** Both bowls and Petanque combine gently exercise with a social dimension. Unlike so many of the other sports, each team is made up of players of different levels of ability, and beginners are encouraged to play. This means they get into the sport quickly and play alongside more experienced players who will support and coach. Of course, we would like to attract experienced players to strengthen our competitive base. However, we play many more friendly games than competitive matches and would like to be able to field even more players. We were all beginners not so long ago and we need newcomers to join now to be the cornerstones of the future. Also, we are underrepresented with women, so Ladies, as well as Gents, please come forward. If you would like to try bowls this spring, then please get in touch through the website or Facebook or call Joe on 01234 871723. If you want more information about playing Petanque, or you wish to try your hand at it, please contact Beryl on 01767 449116. The club’s website also contains photographs of the pavilion and further information.

And I will leave you with this: Every Sunday morning Tom had attended the Church for mass with Martha. Every Sunday after the service he took Martha home and then went down to the club for the rest of the day to play bowls. However, this Sunday the Vicar notices Tom missing from the congregation and Martha looking quite distressed. The Vicar approaches Martha and asks what is troubling her.

“It’s Tom”, she replied sobbing, “He collapsed and died last Sunday straight after bringing me home from church”.

“Oh, I’m sorry to hear that” exclaimed the vicar. “At least he must have died with a prayer on his lips. Did he say anything before he went? What were his last words?”

“I’m off to the Club now … put that gun down!” she replied.

Once again in May 2019 it is Great Barford's turn to visit our wonderful twin town in the Rheinhessen region of Germany. We always welcome new members to join the Twinning Partnership and to fully participate in the weekend, enjoying the unique experience of being hosted by a family in Wöllstein and sharing in all the official festivities over the weekend, including the Official Partnership Dinner, Games Evening and organised excursions. We would ask our friends in Wöllstein to look for suitable hosts to match your family, however large or small and our members are of all ages and walks of life. All are welcome and if you are new to the village we’d really love to tell you more about one of the best things about Great Barford.

This year we are additionally offering places on the Partnership coach, with the option to make your own independent accommodation arrangements. We can also provide information about local b&b accommodation. We feel that this alternative option might appeal to anyone interested in getting a feel for what our Partnership with Wöllstein is all about, but perhaps isn’t in a position to participate fully at this stage. You might just want to take the opportunity for a short break in one of Germany’s lovely wine growing regions, not far at all from the famous River Rhine. It will be a four night stay, with the coach leaving Great Barford on 29th May at approx. 4.00am and returning from Wöllstein on Sunday 2nd June, arriving back in Great Barford around 9.00pm and the whole trip fits in very nicely with the half term dates if you’re a family with school aged children. The cost of coach travel will depend on overall numbers but is likely to be approximately £130 per head and half price for children.

We will also be running two fun social events during the course of 2019- a Murder Mystery Night, with delicious food and the expert help of the Biggleswade Amateur Theatrical Society on 30th March as well as another chance to enjoy one of our very popular Race Nights on 14th September.

If you are interested in joining us or would just like a little more information about the twinning in general, please email sally@paullawman.free-online.co.uk or call me on 01234 870985 or our Chairman John Vincent on 01234 870171.
