4. Ratification of decisions made in accordance with agreed delegated powers

4.1 The Council ratified the decisions as given in Appendix 1.

Proposed – Councillor Lovesey, Seconded – Councillor Ames. Agreed by all

5. Receive the following reports:

5.1 Borough Councillor

5.1.1 The Borough Councillors provided a written report – Appendix 2

5.1.2 Councillor Rudgley raised the issue of littering on verges on the C44. Councillor Moon would raise this with the Borough Council Officers.

5.2 Clerk

5.2.1 The Clerk supplied a written report to Councillors prior to the meeting – Appendix 3.

5.3 Police

5.3.1 The crime statistics had been circulated to Councillors prior to the meeting – Appendix 4. The Council noted the information.

5.3.2 There had been reports made to the police via 101 regarding an incident on Birchfield Road with a speeding vehicle and suspicious behaviour and two attempts of 'dognapping'.

5.4 Neighbourhood Plan

5.4.1 A report was supplied by the Neighbourhood Plan Committee – Appendix 5

6. General Matters requiring discussion and agreement

6.1 Discuss and agree arrangements for Annual Parish Meeting and Annual Parish Council Meeting

6.1.1 The Parish Council discussed arrangements and dates for the Annual meetings.

Resolved

The Council resolved that the Annual Parish Meeting would be held online in April 2021. Village Associations would be invited as usual and the Parish Councillors would offer to read reports if needed. With respect to the Annual Parish Council Meeting, the Parish Council would wait to see if the legislation was extended to allow remote meetings after 07th May 2021.

Proposed – Councillor Wood, Seconded – Councillor Lovesey. Agreed by all.

6.2 Discuss and agree Policy for Councillor Co-option

6.2.1 A request for an election had not been received therefore, the Parish Council could advertise a Casual Vacancy and proceed with the co-option of a new Councillor. The Parish Council have received a number of expressions of interest for the vacancy.

Resolved

The Council resolved to accept the Policy for Councillor Co-option.

Proposed – Councillor Ames, Seconded – Councillor Folbigg. Agreed by all.

Action – Clerk to finalise and publish the agreed Policy

6.3 Discuss and agree Draft Protocol for Marking the Death of a Senior National Figure

6.3.1 A draft Protocol was circulated to Councillors prior to the meeting.

The Council agreed to remove the section relating to the black arm bands. An online book of condolence or email facility would be set up and a physical condolence book would be made available, if restrictions allowed. The church or the village shop would be asked to accommodate the book of condolence. The flagpole on the High Street was nominated as a location for the laying of flowers. Covid-19 restrictions would be amended to read any national or local restrictions.

Resolved

The Council resolved to accept the protocol with the changes detailed under 6.3.1.

Proposed – Councillor Lovesey, Seconded – Councillor Garrard. Agreed by all.

Action – Clerk to amend and publish Protocol.

6.4 Agree additional Committee members for Employment, Website, Allotments and Property and Assets Committees

6.4.1 The Parish Council discussed and agreed that due to a Councillor vacancy a new Committee member was required for the Committees given below to ensure there was a quorum for meetings.

Resolved

The Council resolved the following appointments effective from the March 2021 Committee meetings:

Councillor Folbigg - Employment Committee,

Councillor Edgar – Allotments Committee,

Councillor Ward - Website Committee

Councillor Garrard - Property and Assets Committee.

This would commence from the March 2021 Committee meeting.

6.5 Discuss and agree choice of website accessibility button

6.5.1 Councillors discussed the two options on the website; a single button or the toggle buttons.

Resolved

The Council resolved to use the single button and accept the one-off charge of £50

Proposed – Councillor Wood Seconded – Councillor Ward. Agreed by all.

Action – Clerk to advise website provider

6.6 Update on unauthorised boundary change in Woodpecker Close

The Clerk advised that the Parish Council solicitors would need to request a further document to ensure that there were no restrictions on renting or selling the piece of land on Woodpecker Close. No charges had been incurred as yet, however, it was estimated that the request for the document and subsequent work would lead to 1-2 chargeable hours.

Resolved

The Council resolved to clarify which document the solicitors required. If the Parish Council holds the document it would be sent directly to the solicitors for review and the associated charge for the review paid. The Council would then consider any advice before progressing further.

Agreed by all.

Action – Clerk to liaise with the Parish Council solicitor

6.7 Discuss and agree Handyman application

6.7.1 An application had been received for the Handyman works.

Resolved

The Council resolved to move the Handyman application to the next Employment Committee meeting.

Action – Clerk to include Handyman application on the March 2021 Employment Committee agenda

6.8 Receive feedback from North Bedfordshire Councils Against Route E (NBCARE) regarding East West Rail Route E and agree action

6.8.1 Councillor Wood provided an update to the Council. There was now a NBCARE Facebook page and a petition had been set up to request that the matter be discussed by the Borough Council. The route was expected to come across the Willington Road, through Wilden, near to Pells Farm shop, and across Roxton Road.

Resolved

The Council resolved to include information on the Parish Council Facebook page

Agreed by all.

6.9 Discuss and agree items for consideration/investigation by Bedford Borough Council's five Overview and Scrutiny Committees for 2021/2022

Resolved

The Council resolved that it did not have any suggestions at this time.

7. Highways:

7.1 Discuss and agree Highways Committee recommendations for the following:

7.1.1 Feasibility study for High Street

The Highways Committee recommended that the Parish Council offer a contribution towards the costs for a crossing and felt that the remaining balance should be paid by Bedford Borough Council due to the missed planning gain for the development of Woodpecker Close. The Clerk had requested information from Bedford Borough Council as to who would be responsible for the maintenance costs and ascertain where the s106 funds had been spent by Bedford Borough Council.

Resolved

The Council resolved to accept the Committee recommendations.

Proposed – Councillor Edgar, Seconded – Councillor Southall. Agreed by all.

7.1.2 Development of the Highways section of the Strategic Plan

It was noted that Councillor Wood would lead the prioritisation, with input from Paul Cook, and would report back to the Highways Committee.

7.2 Update on Woodpecker / New Road double yellow lines installation

7.2.1 Bedford Borough Council advised that as the Parish Council would like to increase the extent of double yellow lines from that which was proposed in the original consultation, Bedford Borough Council was legally required to carry out a new consultation. Fresh proposals would be drawn up and should be received by the Parish Council by the end of February, the consultation should then run through March and, assuming there were no objections, there could potentially be new lines installed in April.

8. Planning:

8.1 Discuss and agree comments for application 21/00347/OUT for outline application with all matters reserved for the erection of 3 chalet style bungalows: Land Rear Of 59 Addingtons Road, Great Barford

Resolved

The Council resolved to object to the application as the site was outside of the settlement policy area. Councillor Moon would call in the application to the Borough Council Planning Committee.

Proposed – Councillor Edgar, Seconded – Councillor Folbigg. Agreed by all.

9. Parks and Open Spaces:

9.1 Discuss and agree Parks and Open Spaces Committee recommendations for the following:

9.1.1 No Cycling Signs for the village green

The Committee recommended placing 2 small 'No Cycling' Signs within the village green area. At present a larger 'no cycling, sign was not necessary at the village green.

Resolved

The Council resolved to accept the Committee's recommendations. The signs would be placed on each entrance, from New Road, onto the village green.

Proposed – Councillor Edgar, Seconded – Councillor Rudgley. Agreed by all.

Action – Clerk to instruct installation of signs.

9.1.2 Development of the Parks and Open Spaces section of the Strategic Plan

It was noted that the Parks and Open Spaces Committee had resolved to review a draft strategy and raise comments for discussion at the next Committee meeting.

9.1.3 Parks and Open Spaces Working group recommendations for the location for bin shelters

The working group presented its recommendations to the Parish Council. The Council agreed to remove the dual bin and locate the new bin shelters as recommended by the working group. The dog waste bin would be re-sited between the tree and the new bin shelter. The existing sign would be moved to the area by the tap. The concrete footing would be extended to accommodate the new bins.

Resolved

The Council resolved to remove the dual bin and locate the new bin shelter as recommended by the working group, with the dog bin adjacent. The sign would be re-sited to the area by the tap.

Proposed – Councillor Ames, Seconded – Councillor Edgar. Agreed by all.

Action – Clerk to instruct Handyman to undertake installation and re-siting of sign and dog waste bin.

2019/2021 – 489

9.2 Discuss and agree Contractor for Rolling Programme of Tree Works for 2021/2022 and agree delegation of priorities to the Parks and Open Spaces Committee

9.2.1 The Parish Council discussed the quotations for the next year's rolling programme of tree works.

Resolved

The Council resolved to accept the quotation from TM Tree Services and the Parish Council Tree Officer would discuss the prioritising of the works with the Clerks.

Proposed – Councillor Edgar, Seconded – Councillor Garrard. Agreed by all.

Action – Clerk to advise contractors and liaise with Councillor Southall, the Tree Officer.

9.3 Discuss and agree any action for the senior football pitch on the playing field

9.3.1 The grass surface around the senior goal posts had become very worn. Large groups had been seen using the pitch and the police had attended as this was in contravention of the current Covid-19 restrictions. It was felt that the surface needed to be allowed to recover. An in-depth discussion took place and a vote was held on proposals to remove the senior nets and goalposts or to remove the senior nets and leave the goalposts in place. The majority voted to remove the nets from the senior goals but to leave the goal posts in place.

Resolved

The Council resolved to remove the nets and to leave the goalposts in place. The pitch condition would be reviewed at the March Full Council meeting.

Action – Clerk to instruct Handyman to remove the nets from the senior goals.

9.4 Discuss and agree Caloo Operational Inspection & Maintenance Service quotation

9.4.1 Councillors agreed the quotation for inspection and maintenance.

Resolved

The Council resolved to accept the quotation from Caloo

Proposed – Councillor Edgar, Seconded – Councillor Ames. Agreed by all.

Action – Clerk to instruct Caloo.

10. Graveyard:

10.1 Discuss insurance position for the closed graveyard and associated structures and agree action.

The closed graveyard and associated structures were not currently specified with the Parish Council insurer. It was agreed that the integrity of the High Street and New Road walls be assessed. The need to request a rebuild value and any maintenance would then be considered.

Resolved

The Council resolved that the closed graveyard and associated structures would be added to the schedule for Public Liability insurance. The integrity of both the High Street and New Road walls would be assessed.

Proposed – Councillor Edgar, Seconded – Councillor Rudgley. Agreed by all.

Action – Clerk to advise the Parish Council insurer and look into assessment of the walls.

11. Finance:

11.1 Discuss and agree Finance Committee recommendations for the development of the Finance section of the Strategic Plan

11.1.1 The Committee discussed items that would be included in the Strategic Plan for the Finance section. These included but would not be limited to:

- Quarterly monitoring of the budget and reporting back to the Full Council.
- Monitoring of CIL expenditure and receipts
- Requesting information from all Committees to allow accurate budget setting. Committees would need to agree priorities by May and then begin to seek quotations for the relevant information to be available for budget setting in October.

Resolved

The Council resolved to agree the Committee recommendations.

Proposed – Councillor Edgar , Seconded – Councillor Southall. Agreed by all.

11.2 Discuss and agree formation of Strategic Plan Working Group to produce the Strategic Plan document

11.2.1 The Finance Committee had discussed the need for the overall Strategy document to be pulled together. It was felt that a small working group would be the most effective way to achieve this.

2019/2021 – 491

Resolved

It was agreed that Councillors Ames, Pendrey, Folbigg and Ward would form the working group; with Councillor Ames to lead the group.

11.3 Receive and approve schedule of invoices and receipts.

11.3.1 The information was circulated to Councillors prior to the meeting – Appendix 6

Resolved

The Council resolved to approve the schedule of invoices and receipts.

Proposed – Councillor Lovesey, Seconded – Councillor Ames. Agreed by all

11.4 Receive current bank balances, bank reconciliation and CIL information.

11.4.1 The information was circulated to Councillors prior to the meeting. The bank reconciliation was not available but would be circulated once completed.

12. Correspondence report and information in relation to business from previous meetings. For information only.

12.1 The information was circulated to the Councillors prior to the meeting – Appendix 7.

12.2 It was agreed to send a letter of thanks to Louise Ashmore at BATPC who would be retiring at the end of March 2021.

Meeting closed at 21:45pm

Signed: _____  _____ Date: 16-03-2021

2019/2021 – 492

Appendix 1 - Ratification of Clerks Decision

19/01/2021

Clerk advised TADS that the quotation of £70 plus VAT was acceptable for the engraving on the honours board.

12/02/2021

Clerk advised local plumber to fix allotment tap

Appendix 2 – Ward Councillors February Report For Great Barford Parish Council

COUNCIL FINANCES

The Borough Council finances have been seriously affected by Covid. Significant revenue has been lost; for example business rates, car park and recreational income as well as meeting a need for council tax support for those who are now in financial difficulty. In addition costs have increased with increased demand for social services. Much, but not all, of the lost income and increased expenditure has been covered by government grants and the council has been forced to make some cuts. Fortunately it has been possible to avoid cuts in “front line services” but they may lie in the future.

At the Council meeting on 3rd February the Council voted unanimously to increase the Council Tax rate by 1.99% supplemented by an Adult Social Care precept of 1.75%. That means an increase of 3.74% raising the Band D tax to £1,624.14. The level of precept for the Police, Fire and Rescue Service and Parish Councils will be decided on 24th February.

EAST WEST RAIL

There have been several consultation meetings in recent weeks both with EWR and with other parishes who are likely to be affected. Great Barford has been well represented by Parish Councillors asking searching questions about the reasons for a route that will affect so many villages. The issues raised covered the costings as against other options, how much freight will there be, whether the line remains justified if post covid travel patterns change and what the implications are for further major development in the rural area. Because of the secrecy around the financial details I doubt if many came away feeling better informed. There will be a debate on a petition about the Borough's support for this particular route at the next Borough Council meeting on 24th February; the petition is still open for signature on the Borough website.

The choices for the exact line of the railway will probably be announced in the next month or so. Then there will be a fresh round of consultation.

RIGHT TURN PROHIBITION ORDER

Consultation has been started with a view to bringing in the above order in respect of traffic leaving Willington Lock Quarry Access Road at Cuckoo Brook. Although the signs are already up they are not enforceable without the Order being made. As this prevents quarry traffic exiting the site from coming through Great Barford it is worth responding to highway.consultation@bedford.gov.uk by 5th March to make sure it goes through.

DOG WATCH

On 14th February I went to Cardington to attend the launch of the first village based Dog Watch scheme. For what is a small village there was an impressive turn out of volunteers, police and dogs (including my two). The purpose is to encourage

2019/2021 – 494

volunteers when out walking to look out for lost or stray dogs, watch out for potential dog thieves (a growing problem in all areas) and to keep an eye open for problems generally which need to be referred to the police or perhaps the Council. The police intend over the coming months to expand the scheme into as many villages as are willing. Each village will have a coordinator and certainly at the launch stage strong support from the police.

It was also a valuable opportunity to talk to the Sergeant in charge of the North Rural Policing team. His knowledge of the area is impressive, especially given how many villages he and his team have to cover. When Covid lifts he is intending to increase his team's visibility as he understands what has been lost by residents not regularly seeing a police presence.

WARD FUND

We were nearly left with unspent ward funds last year and had to chase various village schools to come up with proposals. It would be better if village organisations would give some thought as early as possible to what projects they might benefit from. The scheme covers capital expenditure on projects large and small. In recent years grants have ranged from £100 to £5000 + and can cover assisting temporary events to refurbishing churches, chapels, village halls; providing books, lap-tops to schools and charities and many other purchases large or small. Given the Borough Councils financial problems it cannot be assumed that the fund will be here in future years.

Appendix 3 - Clerk Report

- Andrew Prigmore has advised that the data for Roxton Road average speed cameras is currently not available but he will send this data through as soon as possible.
- Environmental Agency have advised that they are aware of the collected debris on the navigation boom and in the lock. Once the river has returned to a more normal level and flows permit they will be working our way down river clearing any debris ,trees etc we encounter. At the moment they cannot predict when or how soon this will be but hopefully within the next month.
- The Wild Swimming website has removed Great Barford to try and help mitigate the issues for this summer. They did make the point that every river was inundated last summer.
- Quotation chased from Charmac for village hall car park markings.
- Below are the employee contribution bands that will be effective from 1 April 2021, for members of the Local Government Pension Scheme.

Contribution rate table from 1 April 2021 to 31 March 2022	
If actual pensionable pay is:	Contribution rate is:
Up to £14,600	5.50%
£14,601 - £22,900	5.80%
£22,901 - £37,200	6.50%
£37,201 - £47,100	6.80%
£47,101 - £65,900	8.50%
£65,901 - £93,400	9.90%
£93,401 - £110,000	10.50%
£110,001 - £165,000	11.40%
£165,001 or more	12.50%

The bands are calculated by increasing the 2020/21 employee contribution bands by the September 2020 CPI figure of 0.5 per cent and then rounding down the result to the nearest £100.

- A letter has been sent to Anglian Water to request an explanation and reassurance that the High Street flooding issue will not occur again.
- Lamp Post PC3 on Addingtons Road has been inspected and electrically it is fine. It does have a slight kink at the base of the door chamber but it's

structural integrity has not been compromised enough to require immediate replacement

- Louise Ashmore, our County Officer, has decided after twenty years of sterling service to Bedfordshire Association of Town and Parish Councils, to retire. She will leave on 31st March 2021.
- Tim Wood has kindly agreed to take on the role of Police Priority Representative from vacated by Noreen.
- The new village green sign has now been fixed to the village green railings.
- Andrew Prigmore has advised that the No Jumping Signs to be located at each end of the bridge will be completed by the end of this financial year.
- The Tree Office from Bedford Borough Council will be inspecting the tree on the village green that is currently uplifting the pathway with its roots. Please note this is not a Parish Council tree. Allison Nelson the Rights of Way Officer is also looking into the possibility of widening the pathway.
- Councillor Garrard has advised that unfortunately the vast majority of small trees planted around the village have now died.

Appendix 5 - GBPC Neighbourhood Plan Update – February 2021

The Regulation 14, Pre-Submission Public Consultation started on Monday 14 December 2020 and ran for 7 weeks until closed on 01 February 2021. Due to Covid restrictions, it was run primarily as an online event, but with consideration for those without internet access by making a limited number of Draft Neighbourhood Plan paper copies available on request.

The event was publicised in the Winter 2020 Barford Bugle, numerous Posters around the village, and on the GBPC Facebook and Website pages. By utilising The Bugle, we were able to include a 4 page centrefold pullout Flyer, giving a brief summary of the Draft Neighbourhood Plan, where to find the full details, and how to respond.

The Bugle is delivered to all 957 households, plus additional businesses, in the parish, so we had made our best endeavour to notify everyone of the event. Other consultees were also invited by email.

The GBPC website hosted the online consultation, with all documents for the Neighbourhood Plan and Support papers available to download. A link led to an online Submission Response Form.

We received 100 online submissions, from 49 individuals – this included 2 adjacent Parish Councils and 3 Agents confirming they had responded by email.

19 paper submissions were received from 18 individuals, and 10 Agents and Statutory Consultees responded by email.

This means that the overall 62 individual residents' responses, equating to 6.5% of households, is somewhat disappointing, although it could be seen to reflect a general level of satisfaction in the proposed plan, with many feeling there was no need to comment.

The responses are currently being collated, and will be added to the Consultation Statement document.

The feedback has highlighted some issues, and we are looking at what revisions may be required to address the points raised.

Five key messages/concerns can be identified as a result of the consultation:

- **Surface water drainage –**
This has been a particularly wet winter, but there is clear concern over surface water impact in Green End.
- **Potential impacts on the Green End Conservation Area –**
The CA must be safeguarded, preserved and enhanced.

Chair Initials: 

2019/2021 – 499

- **The extent of development on the site –**
The allocation area is far larger than needed for development. We should make sure only 500 houses are built within a defined boundary.
- **Landscaping to Bedford Road –**
We need some form of visual buffer zone and screening to be incorporated.
- **Medical Centre –**
The provision of improved health facilities needs to be ensured.

Once subsequent amendments have been made, the final draft can be recommended to the PC for approval to submit the plan to BBC at the Regulation 16 stage. It will then be subject to further public consultation and external examination.
